

# CodeAsylums

Online Coding Bootcamp - Fullstack

## Yash Thakkar

This is to certify that he has completed (June 2021 - Sep 2021) long CodeAsylums Virtual Fullstack Development Coding Bootcamp.

CodeAsylums Bootcamp  
(Online Group Study)

bootcamp@codeasylums.com  
www.codeasylums.com

CA.ON.21439

It has been a roller coaster ride in which he went from merely starting their journey of Fullstack to actually implementing solutions, participated in Collaborative tasks with camp-mates & mentors.

He worked mainly on HTML, CSS, Bootstrap, JavaScript, React, Redux, Node.js, GIT & AWS

Additionally, he participated in Github Challenges, Hackathons, Week-long Project Development sessions, and Soft skills development.

Wishing you the best,

**Pratyush Agarwal**  
(Founder at CodeAsylums)
